FRIDAY EVENING, APRIL 8.

**A SERIOUS ACCIDENT.**—Tommye Hans brought, a nineteen-year old son of Mr. J. W. Hansbrough, while hunting wild ducks on Nalls' dam Tuesday evening, shot himself in the neck by the accidental discharge of his gun. It seems that he was sitting on some of the large rocks near the falls of the dam with the butt of the gun on a rock below him. When he started to get up he caught the gun by the muzzle and was drawing it up when the hammer must have struck against a projecting piece of rock in some way and been discharged. He has no recollection of hearing the gun go off, but when he became conscious he found himself lying on the rock and the gun by his side. He managed to climb up the rocks, and walked about a hundred yards to where a tree had fallen across the run, and went up to the house of Mr. Nalls, where a messenger was at once sent to this place for medical assistance, and he was made comfortable until their arrival. Drs. Triplett and Strother at once went to the wound and boy's assistance, and after tying up his wound and administering morphine brought him to his home in a wagon. The wound is a frightful one, all of the left side of his neck being shot away entirely, leaving a gap into which a man's arm can be laid. The injury is not regarded as necessarily fatal, and hopes are entertained of his recovery. He is being nursed by the members of the C. M. of which he is a member. —*Cut-purper Advance.*

"Isn't that Mrs. Holmes? I thought the doctors gave her up. She looks well now." "She is well. After the doctors gave up her case she tried Dr. Pierce's 'Favorite Prescription' and began to get better right away. I heard her say not long ago, that she hadn't felt so well in twenty years. She does her own work and says that life seems worth living, at last. 'Why,' said she, 'I feel as if I had been raised from the dead, almost.' Thus do thousands attest the marvelous efficacy of this God-given remedy for female weakness, prostration, ulceration, leucorrhoea, morning sickness, weakness of stomach, tendency to cancerous disease, nervous prostration, general debility and kindred affections.

## ADVICE TO MOTHERS.

Mrs. Winslow's SOOTHING SYRUP, for children teething, is the prescription of one of the best female nurses and physicians in the United States, and has been used for forty years with never-failing success by millions of mothers for their children. During the process of teething its value is incalculable. It relieves the child from pain, cures dysentery and diarrhoea, griping to the bowels, and wind-colic. By giving health to the child it saves the mother. Price 25 cents a bottle. *Wm. W. & Co., N. W. cor. King and Washington streets.*
